11/13

FIG. 3B is a perspective view of the handle assembly 262. It shows the handle 278 and the grip 284. The handle 278 is a long, cylindrical member. The grip 284 is a curved, ergonomic handle that is attached to the handle 278. The grip 284 has a series of ridges or grooves on its surface to provide a secure grip. The handle 278 is shown in a position where it is being held by the grip 284.
